
MOUNT VERNON NON-PROFIT RFEI OVERVIEW

Opportunity Summary:

As a feature of a new 315-unit workforce housing development situated in the Metro-North train hub of the City of Mount Vernon, New York, the development team is offering an opportunity for a non-for-profit partner to program over 11,000 square feet of recreational and multi-purpose space:

- Leasing 1,100 square feet of community office space at below market cost
- Providing programming on approximately 2,000 square feet of amenity space and over 8,000 square feet of recreational space for the residents of the new development
- Making such programs available to local youth to benefit the broader community of Mount Vernon

Submission Materials Requested:

- 1-2 Page Cover Letter for an Expression of Interest
- Financial statements
- Annual report
- Organization brochures of current programming

Information Sessions:

The development team will host two sessions to provide additional information about the development project. Interested applicants must register for the events by emailing mwesthub@gmail.com.
